This BBC production includes a full cast, music, and sound

effects. Copyright 1998 Reed Business Information, Inc. From AudioFile This story was originally produced for BBC broadcast by talented creators of radio entertainment. Complete with sound effects, beguiling music, and a full cast of characters, this classic story is full of complicated conflicts, murder, blackmail and private tragedies. London in the 1870's is full of unrest and discontent. Model citizen Geoffrey Haredale combines efforts with a questionable character, John Chester, to break up the marriage between Haredale's niece and Chester's son. The cast of performers is superb, and the production possesses both the authenticity of a radio broadcast and the novelties of a theater production. B.J.P. AudioFile 2000, Portland, Maine--
