## Description :

Prsentation de l'diteurBringing together the work of international experts in the field, and two interviews with Derrida himself, this book providesa key to thereflections that Derrida's work has prompted on all aspects of educational studies. The contributors address fundamental educational issues from a Derridian perspective to demonstrate the relevance of his work in contemporary, multicultural societies.Prsentation de l'diteurBringing together the work of international experts in the field, and two interviews with Derrida himself, this book providesa key to thereflections that Derrida's work has prompted on all aspects of educational studies. The contributors address fundamental educational issues from a Derridian perspective to

demonstrate the relevance of his work in contemporary, multicultural societies.
