Description :

Prsentation de l'diteurSince first appearing in 1998, Garner's Modern American Usage has established itself as the preeminent guide to the effective use of the English language. Brimming with witty, erudite essays on troublesome words and phrases, this book authoritatively shows how to avoid the countless pitfalls that await unwary writers and speakers whether the issues relate to grammar, punctuation, word choice, or pronunciation. Now in the third edition, readers will find the "Garner's Language-Change Index," which registers where each disputed usage in modern English falls on a five-stage continuum from nonacceptability (to the language community as a whole) to acceptability, giving the book a consistent standard throughout. Garner's Modern American Usage, 3e is the first usage guide ever to incorporate such a language-change index, and the judgments are based both on Garner's own original research in linguistic corpora and on his analysis of hundreds of earlier studies. Another first in this edition is the panel of critical readers: 120-plus

commentators who have helped Garner reassess and update the text, so that every page has been improved. Presentation de l'auteur Since first appearing in 1998, Garner's *Modern American Usage* has established itself as the preeminent guide to the effective use of the English language. Brimming with witty, erudite essays on troublesome words and phrases, this book authoritatively shows how to avoid the countless pitfalls that await unwary writers and speakers whether the issues relate to grammar, punctuation, word choice, or pronunciation. Now in the third edition, readers will find the "Garner's Language-Change Index," which registers where each disputed usage in modern English falls on a five-stage continuum from nonacceptability (to the language community as a whole) to acceptability, giving the book a consistent standard throughout. Garner's *Modern American Usage*, 3e is the first usage guide ever to incorporate such a language-change index, and the judgments are based both on Garner's own original research in linguistic corpora and on his analysis of hundreds of earlier studies. Another first in this edition is the panel of critical readers: 120-plus commentators who have helped Garner reassess and update the text, so that every page has been improved. Biographie de l'auteur Bryan Garner is the best-selling author of *The Elements of Legal Style*, *The Winning Brief*, and *Legal Writing in Plain English*, co-author with Antonin Scalia of *Making Your Case: The Art of Persuading Judges*, and editor-in-chief of *Black's Law Dictionary*. With his company LawProse, Inc., Garner has given writing seminars on improving communication to more than 80,000 lawyers and judges across the country.
