Description :

Prsentation de l'diteurGood and Evil I Walk A Crooked Line is a not like any book you have ever read. It is about a persons internal battle to do good over evil. This book is about YOU! Listen - For we know that the law is spiritual: but I am carnal, sold under sin. For that which I do I know not: for not what I would, that do I practice; but what I hate, that I do. But if what I would not, that I do, I consent unto the law that it is good. So now it is no more I that do it, but sin which dwelleth in me. For I know that in me, that is, in my flesh, dwelleth no good thing: for to will is present with me, but to do that which is good is not. For the good

which I would I do not: but the evil which I would not, that I practice. But if what I would not, that I do, it is no more I that do it, but sin which dwelleth in me. I find then the law, that, to me who would do good, evil is present. For I delight in the law of God after the inward man: but I see a different law in my members, warring against the law of my mind, and bringing me into captivity under the law of sin which is in my members. Wretched man that I am! Who shall deliver me out of the body of this death? This book discusses good and evil, good vs evil, of good and evil, beyond good and evil, evil good and good evil, the good and the evil, and good from evil. Written by one of the nations leading behavioral scientists, Dr. Leland Benton is a best-selling author with over 200-books published on alone. You need to read this book
