(Recensiones Salesianum, 2008) "I would like to conclude by stressing that this is an excellent textbook. I have taught from it, and the students in my class not only learned a great deal from it, they also seemed to enjoy the book almost as much as I did." (Bryn Mawr Classical ) "Finally, there is a reliable, engaging and accessible presentation of the communis opinio. And there are even exercises! Fortson has produced an excellent book that fulfills its goals admirably. I hope it will inspire a renaissance of Indo-European linguistics in English speaking countries."
