## Description :

Prsentation de l'diteurFrom the bloating to the belching to the Baby Story marathons that might just drive you crazy, prime-time star and new mom Tia Mowry delivers the lowdown in a frank, hilarious guide to modern pregnancy. Tia Mowrys 800,000+ Twitter followers know that she tells it like it is. Now, in a pregnancy guide like no other, Tia leaves no topic off-limits while helping expectant moms stay empowered, pampered, and laughing out loud. From sex during the third trimester to pimped-out strollers, Oh, Baby! reveals what to really expect on that nine-month road to the delivery room. Sharing her personal experience with cravings (she couldnt have done it without sourdough bread and Funyuns); maternity clothes (Tia

prefers black, with sequins); panty liners (memorize that aisle at the drugstore); vagina exercises (just say No!); and hiding your bump from your coworkers (tricky for Tia, since her character on *The Game* was in lingerie half the time), the maternity maven also discusses Ask the OB QAs she posed to her own ob-gyn, along with dozens of tried-and-true tips for combating morning sickness, fear, and everything else that might overshadow a radiant glow. From the time she started showing to the moment she welcomed her new baby boy, Cree Taylor, into the world, Tia was in the spotlight, from *Access Hollywood* to every glossy magazine and countless online sites. Yet she stayed down-to-earth throughout it all. Keeping it real, *Oh, Baby!* helps every mommy-to-be stay stylish, maintain her dignity, and trust her gut (no matter how big it gets).

Revue de presse "I love this book. The chapter on Tia constantly taking pregnancy tests-- that was me. I wanted it really badly. Congratulations, Tia. Our little girl is all grown up." Wendy Williams

As fans of Tia and Tamera know, Tias pregnancy was uh, memorable. She relives some of her greatest moments in her refreshingly candid new book. Here, as in the show, Tia is the queen of Too Much Information. (Isn't that what we love about her?) Your favorite mom-to-be will thank you for this one. *Essence*

A fresh take on being a new mom light and breezy, yet informative. *Ebony*

Présentation de l'auteur From the bloating to the belching to the Baby Story marathons that might just drive you crazy, prime-time star and new mom Tia Mowry delivers the lowdown in a frank, hilarious guide to modern pregnancy.
