Description :

Prsentation de l'diteurThis book can change your life. You will learn the one easy step in less than a minute.

Your own Peaceful Place will be there for you on demand, any time, any place.The rest of the book will show you effortless ways to implement this now, and for the remainder of your continually improving and

(nearly) stress free life.TESTIMONIALS:Overall, its a nifty little technique many people can put into practice easily. Great work!~ Miri Richardson, Portland, OR, USAHeres a simple but comprehensive guide

to finding our inner peace, the most important basic need next to breathing. It puts everything into perspective simply, easily, and lovingly.~ David Daniels, Walsall, UKI love it. It is easy and effective and my 8-year-old daughter understood it and got to her peaceful place immediately. I also like the "tips and tricks" about how to use it. I'm sure there are many people out there to whom it will be of big help.~
