Description :

Prsentation de l'diteurFed up of constant, expensive patchwork dental care? Are YOUR teeth and gums running downhill quickly? Fear tooth loss? Dr. Garry Bonsall, English-Swiss dentist in Basel, reveals exactly what you should discuss - when you visit your own, trusted dentist. Garry reveals in a friendly way his logical, simple-to-follow plan - to ensure you get the best dental diagnosis and long-term dental treatment - that fits YOU and YOUR personal dental diagnosis. Dr. Bonsall has helped 20 000 happy

patients and now reveals how YOU, too, can also get a lifetime of pleasure and enjoyment from YOUR own teeth and dental treatment. If this book prevents YOU from losing just one tooth, it will be worth it. Presentation de l'diteur Fed up of constant, expensive patchwork dental care?
