Description :

Prsentation de l'diteurThe Concept of Injustice challenges traditional Western justice theory. Thinkers from Plato and Aristotle through to Kant, Hegel, Marx and Rawls have subordinated the idea of injustice to the idea of justice. Misled by the words etymology, political theorists have assumed injustice to be the sheer, logical opposite of justice. Heinze summons ancient and early modern texts, philosophical and literary, with special attention to Shakespeare, to argue that injustice is not primarily the negation, failure or absence of justice. It is the constant product of regimes and norms of justice. Justice is not always the cure for injustice, and is often its cause.

Prsentation de l'diteurThe Concept of Injustice challenges traditional Western justice theory. Thinkers from Plato and Aristotle through to Kant, Hegel, Marx and Rawls have subordinated the idea of injustice to the idea of justice. Misled by the words etymology, political theorists

have assumed injustice to be the sheer, logical opposite of justice. ?Heinze summons ancient and early modern texts, philosophical and literary, with special attention to Shakespeare, to argue that injustice is not primarily the negation, failure or absence of justice.? It is the constant product of regimes and norms of justice.? Justice is not always the cure for injustice, and is often its cause. Biographie de l'auteur Eric Heinze is Professor of Law and Humanities at Queen Mary, University of London. His most recent publications on legal theory have appeared in Oxford Journal of Legal Studies, Ratio Juris, International Journal of Law in Context, Legal Studies, Journal of Social Legal Studies, Canadian Journal of Law and Jurisprudence, Law Critique, Law Literature, and Law Humanities.
