Description :

Prsentation de l'diteurFrom buying buggies and cutting the cord to dealing with your wife's breastfeeding in public - the life of a first-time father will throw up new experiences every day.The Expectant Dad's Survival Guide tells you everything you need to know during your partner's pregnancy and the first few weeks of your new life as a dad. Combining expert advice from midwives, psychologists and obstetricians with first-hand accounts, it explains what's happening with her, what's going on with your baby, and what the hell you

should be doing every step of the way. With tips from those who know, what-to-do explanations and fascinating facts, this survival guide will ensure you're armed and ready for your role as a new father - from discovery to delivery and beyond. A must-read for all fathers-to-be. Revue de presse "Expectant fathers used to be left chain-smoking in the hospital hallway. These days most of the 500,000 men who become fathers for the first time every year in the UK attend the birth. This book aims to help those newbies be less anxious." (The Mirror) Presentation de l'auteur From buying buggies and cutting the cord to dealing with your wife's breastfeeding in public - the life of a first-time father will throw up new experiences every day.
