## Description :

Prsentation de l'diteurAs a bold and gifted child, Branwell Bronte's promise seemed boundless to the three adoring sisters over whom his rule was complete. But as an adult, the precocious flame of genius distorted and burned low. With neither the strength nor the resources to counter rejection, unable to sell his paintings

or publish his books, Branwell became a spectre in the Bronte story, in pathetic contrast with the astonishing achievements of his sisters. Daphne du Maurier concentrates all her biographer's skill on the shadowy figure of Branwell Bronte, and no reader could fail to be intensely moved by Branwell's final retreat into laudanum, alcohol - and death.
