Description :

Presentation de l'diteurWritten primarily for ESL and EFL students preparing to take language exams in English, this book presents 400 common phrasal verbs and the ways in which they are used in everyday American English. Phrasal verbs are word groups that include a verb combined with a preposition or an adverb. They are not used only as verbs but as nouns, such as comedown, breakup, or showoff. They might also be used as adjectives, such as spaced-out, burned-out, broken-down and many others. This volume places phrasal verbs within the context of sentences, and presents hundreds of examples and exercises.Presentation de l'diteurWritten primarily for ESL and EFL students preparing to take language exams in English, this book presents 400 common phrasal verbs and the ways in which they are used in everyday American English.
